Subd All the Govt quoted in the Sts are put up—

The allowances granted may be grouped as follows:—

(i) Conveyance & House rent allowances.

(ii) Duty allowances.

(iii) Special locality allowances.

(iv) allowances to Hd. masters of Vernacular Agricultural Schools.

(v) allowances to Cycle orderlies

(vi) charge allowances for Vety. Inspectors in charge of Vety Dispensaries

(vii) Fixed T.A. to the Staff in the A.H Dept—

Conveyance allowances. An analysis gets an allowance of Rs 20 and another Rs 15 Why this should be so and whether a maximum Conveyance allowance may not be fixed with reference to the Grade of the Officer and the nature of the Conveyance he is expected to use is for orders.

(ii) Duty allowances. The Director states that generally these allowances are given to Offs

transferred from the Comptroller's office & that the grant of the allowance is justified on the ground that they are saddled with an "extra burden of responsibility". In the absence of any data to measure exactly what this "burden" is it is ~~perhaps~~ for consideration whether it is possible to ~~do~~ judge the necessity for the grant of these allowances under the present Ft Conditions.

(iii) Special locality allowances. These will have perhaps to be ~~dec~~ considered as a general question & all Depts treated alike in this respect.

(iv) Allowances to Hd masters of Ver: Schools (Hyd) Whether these should be allowed merely because that this is "Special work" is for orders

(v) allowances to Cycle orderlies. This appears to be a general question & this Dept will have to be treated in this respect similar to the treatment accorded to other Depts.

VI Charge allowance to Vet Inspectors in charge of Vet Dispensaries — The Director points out that this allowance is similar to what is granted to Officers in charge of medical Institutions. In the case of Med Officers Distt Bds bear this charge but in the case of Vet Institutions it is a charge on Govt. Whether under the circumstances that allowance that is being granted to Vet officers should stand is for orders

It has taken me Sometime to Scrutinise the files relating to the grant of allowances. In many cases, they have been granted as a matter of course and as recommendations were received. The questions though the work done by the Office establishments who are drawing the allowances has not changed in any respect, the need for economy has necessitated a scrutiny of the allowances with a view to retrenchment irrespective of the conditions of the original grant. As far as a consideration as possible under the circumstances has been given to the various items shown in the list appended and in that the case is accordingly submitted for orders.

OFFICE OF THE DIRECTOR,
BANGALORE,
19th October 1931.

DEVELOPMENT BRANCH,

Dear Mr. Rajagopalachari,

Please parden me for the delay in replying to your D.O. letter No. nil - of the 10th. It was arrived just as I was leaving for Balehonnur to attend a meeting of the Coffee Station Advisory Committee

I have had your list scrutinized and corrected by the addition of 5 small items noted in the list in pencil.

If we take first the allowances in the Agricultural Department proper, I find that they are, with very few exceptions, conveyance -- allowances which in one or two cases have been changed to allowances for house rent. These are all given to men for whom no accomodation can be provided on the Farms and who must go quite long distances to and from their work. They must abviously keep a conveyance of some kind. I feel strongly that such allowances should not be retrenched.

In addition there are a number of special locality allowances which are given according to general orders of Government and are not special to this department. Here again I should not be prepared to recommend their elimination.

Items 1 and 36 on your list are cases of duty allowances which have been given to accountants lent from the Comptroller's office on their transfer to this office. I may point out in connection with these cases that as the post of Financial Assistant has been retrenched an extra burden of responsibility will fall on these officers. I do not think their allowances should be cut off.

Under 14a, 15 and 16 there are allowances to the Head Masters of the three Vernacular Agricultural Schools. These men have been selected from the regular line of agricultural Inspectors for their fitness for this special work. It is work of considerably greater responsibility than that which they had previously, and I consider the allowances should stand.

Under item 24 (a) are shown:
Two allowances to the Veterinary Inspector on Hebbal Farm
One of Rs. 20/- is a conveyance alloance and I feel should stand. The other of Rs. 10/- is a duty allowance similar to that given to all Veterinary Inspectors in charge of Veterinary Institutes I may note that this officer has in addition to his regular work

work all the Veterinary teaching in the school.

In addition to these, are allowances to cycle orderlies whic are I believe generally given. These will, I presume, be dealt with along with other similar cases. I have nothing to say with regard to them.

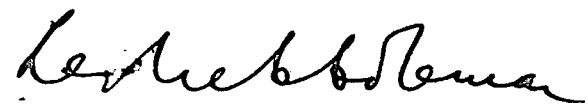
If we turn to the Veterinary Department item 6 is a general question. I feel that, if and when charge allowances for medical institutions are retrenched, these should be also, but that the two should be treated alike.

As regards the other allowances in the Civil Veterinary Department, I am taking up the question up with the Superintendent, and will send a reply shortly.

As regards items 3 to 5 - Serum Institute, the work done by these officers is undoubtedly of a special and very exacting nature. More over with the transfer of the Institute to Hebbal it will mean considerably increased expense to these men for conveyances. I feel therefore that these allowances should stand. They at the most might be reduced from 50 to 40 and from 30 to 25 in the case of men working in the Institute proper.

As regards 8 and 9 Amrit Mahal- These allowance being fixed travelling allowances have, I presume, been dealt with according to the general orders already issued.

Yours sincerely,



S. P. Rajagopalachari, Esq, B.A,B.L.,

Member of Council,

OFFICE OF THE DIRECTOR,
BANGALORE,
27 OCT. 22nd October 1931.

DEVELOPMENT BRANCH.

Dear Mr. Rajagopalachari,

In continuation of my D.O. letter No. Roc. 1009 of 31/32 of the 19 th instant, I have the following remarks to make on the question of allowances 1 and 2 Civil Veterinary Department in your list :-

1. As regards the cycle allowance to the storekeeper. I understand from the Superintendent that this man has to attend to despatch of sera and vaccines on every day including holidays and at every time of the day. He has also to arrange for despatch of goods from medicical Stores, to arrange for local purchases and to arrange for despatch of the large number of forms used in the department from the stationery depot and press. He has evidently much more to do than the ordinary store keeper and has to do a great deal of work out of hours. I think under the circumstances this allowance should be retained.

Rec'd 27/10/31

2. This officer is practically an assistant to the Superintendent both on the administrative and on the technical side. The present incumbent is an officer who has undergone special post-graduate training in Lahore and is specially fitted for the post. It is, I think, highly desirable that an officer of this character should be stationed at head quarters to assist the Superintendent and to look after urgent work during his frequent absences on tour. The nature of the offices undoubtedly involves a great deal of extra work and responsibility and I would not favour the allowance being retrenched.

Yours sincerely,

Leslie C. Coleman

margin will be reduced to Re. 1/- per month.

3. The allowances granted to the Sub Assistant Surgeons noted in the margin will all be treated as conveyance allowance and limited to Rs. 5/- a month, irrespective of the Charge allowance they are entitled to in the mofussil Dispensaries. Allowances

4. Conveyances granted to the two analysts of the Chemical Section, the Junior Assistant Chemist, the agricultural Inspector, the fieldman and Laboratory man (Economic - Botanist Section) and the house rent allowance granted to the Agricultural Inspector will all be uniformly reduced to Rs. 5/-. in Each case and regarded as Conveyance allowance.

5. Government see no reason now to continue the allowance of Rs. 15/- each to the Head Masters of the S.K.V.D. Patasala the Ramakrishnapur School and the Hassan Agricultural School. These will be stopped - abolished.

6. The house rent allowance granted to the marginally staff attached to the Kar-Ragi Breeding Station at Hunsur will be continued subject to the condition that the allowances permitted in each case will not exceed the actual rent paid.

7. The special locality allowance that is being drawn by the marginally noted officers will be continued to them in accordance with G.O. No. [illegible]

8. The Salustri attached to the Live Stock Section will in future draw a conveyance allowance of Rs. 5/- instead of Rs. 7-8-0 sanctioned in Government Order No.

All conveyance allowances may be reduced to Rs.5/- and special locality allowances done away with. 6/11/31	I agree but Special locality allce may continue. as regards allowance to the three Subasst. Surgeons, I think the allce is not merely a conveyance allce. It is for Extra duty. But I believe they are not expected to visit every day the farms. Hence cycle allce would meet the requirements of the case.
